1. Advertising rates will reflect the rate card current at the date of insertion. In the event of an increase in rates existing at the date of contract, notice will be given to the advertiser 30 days in advance of the closing date of the first issue affected. The advertiser shall have the right to cancel without penalty, up to and including the 14th day in advance of the advertising booking deadline.
2. The word advertisement will be placed above any advertisement, which in the publisher's opinion resembles editorial material. The sponsor of every advertisement must be identified by product or company.
3. The publisher reserves the right to reject any advertisement as a whole. All advertisements are accepted subject to the publisher's approval, without prejudice, in every respect with regard to the material, layout or otherwise and may be modified or altered at the publisher's discretion if the material supplied is not in accordance with the mechanical specifications. The cost to the publisher for correcting any such material shall be paid for by the advertiser to the publisher on demand.
4. The publisher shall not be responsible for any loss or damage consequent to the failure of an advertisement to appear in accordance with the instruction given by the advertiser.
5. The contract shall not be invalidated, and the advertiser shall not have any claim against the publisher if an advertisement is omitted or rejected or not placed as instructed by the advertiser in an issue for which the advertiser has contracted.
6. All advertising material must be supplied to the publisher in accordance with the material specifications and by the material deadline. If material is not supplied to the publisher by the advertising material deadline the publisher reserves the right to repeat the most recent material. Alternatively, the advertiser or its agent will be charged for the advertising space as contracted and the space will be filled at the publisher's discretion.
7. The publisher reserves the right to place the advertisements in any position except where specifically instructed by the advertiser and agreed upon by the publisher in writing.
8. Cancellations must be received in writing at least 14 days prior to the advertising booking deadline.
9. Advertising rates are based on the understanding that all advertising space booked is used within the contract period. Should an advertiser fail to use the total space booked within the contract period, the advertising rates for all advertisements that have appeared in the contract period will be adjusted according to the rates detailed in the advertising rate card.
10. The advertiser will reimburse to the publisher any amounts that are outstanding as a result. The advertiser represents and warrants to the publisher that no advertisements placed will be misleading, deceptive, defamatory, libelous or false in any particular or in contradiction of any law or statute. The advertiser shall indemnify and keep the publisher indemnified against claims, costs, damages or liability whatsoever arising from any breach of this representation and warranty. ANMF and its officers hereby disclaim any liability, however arising, for any negligence and any consequence whatsoever of any such negligence.
11. Commission rates for any accredited advertising agencies will be as per the rates of accreditation at 10% with payment being based on the on-sale date and not the cover date.
12. Payment terms for direct clients and non-accredited agencies are strictly net 30 days from the date of invoice. Payment terms for accredited agencies are strictly 45 days from the date of invoice.
13. Our terms provide that in the event of this account remaining unpaid and being referred to a debt collection agency and/or law firm, all collection and legal demand costs will be added to the account.
